To Whom It May Concern,

My name is Marshall Bailly, and I serve as the Executive Director of Leadership Initiatives, a 501(c)(3) nonprofit organization dedicated to empowering the next generation of leaders through real-world, impact-driven experiences.

I am writing to verify that Mihir Goyal successfully completed 35 hours of community service through Leadership Initiatives between 7/27/2025 - 8/2/2025.

Mihir participated in our Criminal Law & Trial Internship at Georgetown University. Throughout the internship, they worked with Harden Law, PLLC, on an active trial case, helping to prepare the case and the clients for trial. Mihir analyzed legal documents, reviewed evidence, created case theories, and developed witness preparation examinations to ensure the clients are ready to stand trial.

In addition to legal casework, Mihir engaged in legislative advocacy on Capitol Hill, meeting with senators, congressional representatives, and staff to promote criminal legal reform efforts.

Throughout the program, Mihir consistently demonstrated exceptional professionalism, keen analytical ability, and a genuine dedication to justice. Mihir approached each assignment with focus and integrity, contributing thoughtful insights and working collaboratively to support the clients. Mihir quickly stood out as a dependable and principled leader, earning the respect of both peers and legal professionals.

If you have any questions or require additional information, please don't hesitate to contact me at mbailly@licheange.org.

Sincerely,

Marshall James Bailly II
Executive Director
Leadership Initiatives
